The Weald Book Awards

FOSS Friendship Friday 3pm

Oaks, Ash & Sycamores trip  
to Winchester Science Centre

Inset day

Half term

This newsletter comes with very best wishes to you all for the New Year. 2019 is another exciting year at Shipleigh with a fantastic topic to start us off. Children have been sharing their New Year resolutions - from trying new foods to tidying their bedrooms and reading more books. We look forward to finding out how they all get on!

Thank you from all the staff to children and parents for the thoughtful gifts at the end of term.

### Termly value

Our termly value is *Patience*. We will be exploring how Jesus showed patience in his relationships with people, when we need to have patience and how patience and perseverance can be a powerful combination to help us learn.

'Have patience, God isn't finished yet.' Philippians 1:6

### Ofsted

We are expecting to be able to bring you our Ofsted report as soon as possible. We are very proud of the children, the staff, the parents and the governors and how everyone works together to make the school improve continuously.

### Winchester Science Centre

Oaks, Ash and Sycamores classes are planning a trip to the Winchester Science Centre and Planetarium on Tuesday 5<sup>th</sup> February. This will be an all day trip, leaving early and returning late.

We are currently finalising costs but it is likely to be £18 per child. More details to follow next week. <https://www.winchestersciencecentre.org/>

### **Updated Health and Contact Information**

Please let the office know if there are any changes to the information we have for your child. Any health updates, new mobile contact numbers or changes in home address. It is very important that we have up to date information.

### **Tesco Bags of Help Token**

From this week you are able to cast your vote for FOSS with a Tesco token, where Tesco customers will decide the outcome by voting for their favourite project each time they shop in the Tesco Extra at Broadbridge Heath, and the Tesco Express stores in Redkilm Way and Brighton Road Horsham. Voting takes place from Tuesday 1st January 2019 to Thursday 28th February 2019. There are three projects and the project with the highest number of votes will receive £4,000, the second placed project £2,000 and the third placed project £1,000.

### **Snow and Ice Procedures**

Hopefully we will not have to implement our Snow and Ice Procedures but if we do, I thought it would be useful to let you know what will happen. In deciding whether the school can remain open, we have to take account of the safety of staff, pupils and families in accessing the school by car and school bus and using the school safely. We would review the decision to open or close the school or delay the start time on an on-going basis and seek to have made a decision by 7.00am so that information via school comms/ text message will be sent by around 7.30am if at all possible to allow you to make other arrangements. Information will also be posted on the school website and through local radio stations.

### **GOLDEN BOOK**

### **WILLOWS**

SIENNAGRACE and GRACIE - for working well together in the medical area.

### **OAKS**

TED - for good handwriting.

TESS - for an enthusiastic start to our space topic.

### **ASH**

LILY W and FRANKIE B - for working so well together to make a planet.

### **SYCAMORES**

JOSEPH - for excellent reading and bringing the BFG to life.

CHARLIE - for excellent resilience in Maths.

### **GOLDEN TICKET WINNER**

All the golden tickets are put into a weekly draw. This week's winner is Sonny.

*Kind regards*

*Mrs Jen Harvey & Mrs Karen Stocker*
