International Safer Internet Day 2019 5th Feb

With phones and tablet becoming more available children have increasing access to the internet and parents are rightly concerned about keeping them safe. To tie in with Safer Internet Day, West Sussex County Council have produced a short guide to keeping your child safe online which is attached to the newsletter. Lessons in e-safety are incorporated into our computing curriculum across all year groups. Additional information and links for parents on this topic can be found on the Staying Safe page on our website. www.shipleyceprimary.com/staying-safe.html

Sycamores Class Assembly

Sycamores Class Assembly on Wednesday was amazing. Thank you to all the parents who came along. The children shared their work on the book 'Brightstorm', they read their Pluto diaries and they sang a lovely song in French.

Winchester Science Centre and Planetarium Trip - Tuesday 5th February

Sycamores, Ash and Oaks are off to the Winchester Science Centre next Tuesday 5th February. Please do not park in front of the school as the coach will need to park there. Children who usually catch the school bus will need to come in by car. The coach will be leaving at 8.15am so children **must be in school for 8am** to be registered before the coach departs. They will be returning at 3.45pm. The children need to be in school uniform. The children in Oaks who have a UIFSM will be provided with a packed lunch from Easylunch. Everyone else will need a packed lunch. All children will need to bring an extra snack and water bottle.

from Willows Class

Willows class would like to thank everyone who helps with Forest School on a Wednesday morning - without your support it could not go ahead. They would also like to thank Mr Butler for making the window in the lookout and Mr Treasure-Jones for fixing the bird table.

FOSS News
