Pop Up Art Festival in Petworth

Please see the attached poster advertising an art exhibition for schools that we are taking part in during July.

Summer in Oaks

Recently Oaks have been having a great time learning about the Olympics and visiting Mrs West's garden. Even though it rained on us, we had a great time picking flowers which we then used for a Japanese art activity. We grew cress and turned it into an egg and cress sandwich using our fractions to make sure everyone had the same amount. Here are some photos. Well done children, some amazing work!
