Autism Aware Award

We are really proud to be awarded the Autism Aware Award by the West Sussex Autism and Social Communication team. It is testament to the hard work of staff to help make our school as inclusive and supportive as possible. Children increased their knowledge of autism during the recent Autism Awareness week. If you would like to know more about autism, there is some useful information and some free training to be found at:

SATS

The Year 6 pupils have been 'working their socks off' in preparation for SATS and they deserve to do really well. We are very proud of them for their really mature attitude and determination and wish them all the best for next week. There will be a simple breakfast provided and the children will need to remember their water bottle so they can take the tests in the best possible frame of mind.

Year 2 pupils will also be completing their reading and maths papers over the next 2 weeks. It is sensitively carried out so that they may not even realise they are doing it!

A leaflet for parents is attached to the newsletter.

Legacy Fence Grand Opening

Thank you to everyone who stayed after school last Friday for 'Friendship Friday' and the Grand Opening of the Legacy Fence. We are delighted with the new fence enclosing our Forest School area and would like to thank everyone who was involved in the project.

Jill May, a former pupil, who now lives in Wales cut the ribbon.

Tri-Golf Tournament

Yesterday, Mrs Fuller took 8 children from Ash class to compete in the School Games Tri Golf event at The Weald. The children took part in different golfing activities to improve their aim and skills. They competed against one other school and they won! Not only did they win yesterday but they also won overall out of 4 schools in the area. This means that they will be taking part in the

School Games final at K2 in Crawley, in June! We are all extremely excited about this and we are very proud of the children.

Weald Music Festival - Monday 17th June at The Hawth, Crawley
