

Home Learning - Willows Autumn 2018

Bags and Boxes (Look Inside)

Decorate a box or a bag showing your interests.

Make a paper opening up bag and fill it with drawings. Decide who the bag is for, eg A handbag for mummy, a suitcase to take on holiday to the seaside, a toolbox, a bag for a vet/doctor/farmer etc or you could be more imaginative with a bag for a fairy/wizard/ mermaid/mouse etc

Fill a bag with interesting things. Eg: Things that feel nice or all feel different with different textures. Things that are special to you. Things you have found in the garden in Autumn. Things the same colour etc

Find a small box and see how many things you can fit inside it.

You do not have to do everything on this list, but you need to choose one activity that you can do with some help from your family. If you would like to do more than one then of course we would be happy to see it.
