## Summary

In April 2013, the government announces an allocation of Sports funding for schools. The funding is ring-fenced and can therefore only be used to enhance the provision of sports and PE in schools with the aim of encouraging participation and promoting healthy lifestyles.

All pupils at Shipley participate in two hours of PE per week. This is delivered by class teachers and specialist and qualified coaches bought in by the school. This has allowed for staff professional development and benefits all pupils in the school.

Shipley is delighted to have been awarded the School Games Bronze award in 2015-16
