### Summary

In April 2013, the government announced an allocation of Sports funding for schools. The funding is ring-fenced and can therefore only be used to enhance the provision of sports and PE in schools with the aim of encouraging participation and promoting healthy lifestyles.

All pupils at Shipley participate in two hours of PE per week. This is delivered by class teachers and specialist and qualified coaches bought in by the school. This has facilitated staff professional development and benefits all pupils in the school.

Shipley School has used the SPG to achieve the School Games GOLD award in 2018, moving from Bronze in 2016 to Silver in 2017

#### How we measure the impact of the SPG:

- Monitor attendance at clubs and the range of clubs offered
- Monitor participation in inter schools events
- Evaluate the attitude of pupils and parents to sports activities
- Evaluate the profile of PE within the school
- Monitor the effective use of sports coaches
- Audit the use of sports equipment and sports facilities
- Monitor the additional opportunities offered to pupils and the legacy it leaves (eg. Visiting sports people, seeing sporting events)
- Monitor the sustainability of the strategy and how it will benefit pupils in the future
- Meet the criteria for the Gold Sports award and Active Sussex Active Primary School of the year.
