

This term in Willows

As you will have seen our topic is different to the rest of the school. Our focus is Keeping Safe/People who help us/Superheroes/Stars and skies.

We are hoping to fit in several local trips over the term:

Southwater Library (a termly visit with the Children's Librarian)

A Forest School day in Knepp - in warmer weather.

A trip to 'Little Street' in Bognor Regis

All dates yet to be confirmed.

Starry Night will take place on Tues 22nd January, this is an evening when you return to school in the dark, with your favourite book and a torch. This is a fun night and an important part of 'Reading for pleasure', there will be more information coming out soon.

We will be continuing with our phonic sounds and aiming to be using them in our writing, we will also be starting to learn many of the High Frequency Words.

Number work will focus on counting, number recognition, writing numbers and simple calculations using addition and subtraction.

Forest School will continue to be on a Wednesday morning, it is a cold term, please make sure the children have all they need to keep them warm. Layers, extra socks, gloves, scarf, hats and of course the usual track suit bottoms, waterproofs and wellies that fit. If you would like to help out, a list will be going up soon.

Outside PE will be on a Friday, again, just check your child has the right equipment, tracksuit bottoms, trainers, socks if they usually wear tights. Inside PE will be on a Tuesday, usual PE kit needed for this.

Many thanks

Mrs Sue Merry
