

In addition to regular reading, spelling practice and times tables, you may like to complete some of these activities to support your learning

Design a Greek Vase Draw and colour your own ancient Greek vase. Add pictures showing a story, such as a hero, an athlete, a sea journey, or a Greek god. Try using traditional colours like black, red, and orange.	Build a Greek Temple Make a model of an ancient Greek temple using cardboard, paper, building blocks, or recycled materials. Include columns and a triangular roof. Write 3 facts about Greek temples to display beside it.	Create Your Own Greek God or Goddess Invent a new Greek god or goddess. Draw them and decide: - What are they the god/goddess of? - What special powers do they have? - What symbol represents them? - What animal is connected to them?
Map of Ancient Greece Draw a simple map of ancient Greece. Label Greece, the Aegean Sea, Athens, and Sparta. Add little drawings of things Greece is famous for, such as olive trees, ships, temples, and mountains.	Make a Greek Theatre Mask Design and make a Greek theatre mask using paper or a paper plate. Give your character a happy, sad, angry, or surprised expression. Then write a few sentences about who your character is and what happens in their story.	Ancient Greek Olympic Challenge Find out about the ancient Olympic Games and choose one event to research. Make a colourful poster showing the event, what athletes wore, and how it was different from the Olympics today. You could even invent a safe mini Olympic event to try at home!
Write a Diary Entry Imagine you were living in Ancient Greek times, write a diary entry for a typical day. Remember, there were no computers or TVs!	Baking Bake something with your family. Weigh or measure out the ingredients yourself. Take some photos and bring them in to show the class.	Colour in the boxes to show the activities you have completed
