Parents evenings are planned for early March - details will follow

Welcome back to all our families and a happy new year. The children have made such a positive start to the term and got stuck in with some super art work and class texts about the new topic *Incredible India*.

Termly value

Our termly value is *Generosity*. Children will be exploring how people show and give generosity in terms of love, support and time as well as giving money or gifts. We will thinking about people who do things for others without expecting anything in return and learn about courageous advocacy through people like Mother Theresa and Gandhi. Bible links include the parable of the wealthy man and the feeding of the five thousand.

'God loves a cheerful giver' Corinthians 9.7

Staffing news

We welcome Helen Potter to the Shipley team as a teaching assistant in Oaks class.

South Downs Generations

Following the South Downs living history project, Ash and Sycamores class feature in two videos linked to our local walks during the last 18 months. Enjoy and learn!
