After-school Childcare

It is our intention to continue with the after school Windmills club next academic year, if demand is there and it is feasible. There will be a survey monkey for parents next term.

Some parents have enquired about childminding services locally. The West Sussex website gives details of provision in your area and can be accessed here:

The Big Ask

The Children's Commissioner for England, Dame Rachel de Souza, is launching a once-in-a-generation review of children's lives. It's called 'The Childhood Commission' and it will identify the barriers preventing children reaching their full potential and propose policy solutions to address them.

At its heart is 'The Big Ask' - the largest ever consultation held with children.

In this survey the Children's Commissioner is asking children and young people what they think is important for their future and how they are feeling. The Children's Commissioner will use what children and young people tell her to show the Government what they think and what they need to live happier lives.

It's an exciting opportunity to help us think big and it's a chance for every child in England to have their voice heard. Children will be completing their short survey on line with Mrs Upstone this week in computing lessons
