## COVID update

Bookings are now open for vaccinations for 5-12 years olds. The vaccination can be a very powerful form of defence and we encourage parents to take up the offer. Link below:

## Easter Service at Church

It was lovely to see so many parents at the church service yesterday. All the staff are proud of the way the children spoke and sang so confidently.

## Ash and Sycamores go for a curry!

The New Haldi in Southwater hosted a delicious Indian meal for Ash and Sycamores children this week. Maz and the team made us so welcome and there was plenty of food to try. It was a lovely experience for everyone involved.

## Ash's Incredible Tuk Tuks!

As part of the Primary Engineering Project Ash class have been designing and making Tuk Tuks this term. We have learnt how to saw, join, make axles and sew and we have had a brilliant time doing it. There have been some wonderful designs and the children have shown incredible perseverance whilst making them. There are definitely some budding engineers in Ash class! A HUGE thanks goes to Mrs Gorton as without her it would not have been possible. Also, a massive thank you to Emma, Jack's mum and Faye, Beatrix's mum for giving up a day of their time to come and help us, their help was invaluable! Well done Ash class!

Finally, we wish you all a very happy and restful Easter break. We return to school on Monday 25<sup>th</sup> April with some exciting new learning:

Oaks – Tales and Torches - Traditional Tales and the Great Fire of London

Ash and Sycamores – William Shakespeare – watch this space for an exciting drama production in the summer term!

A reminder of when PE kit and Forest school kit is needed in school
