Dear Parents,

Welcome to The Easy Lunch Company we are one of the suppliers of hot lunches to Primary Schools in West Sussex, one of which is yours.

We started our business supplying freshly cooked hot lunches to local primary schools over 11 years ago and have had a very good take up for the meals. This is no doubt down to the exceptional quality of the fresh, locally sourced ingredients we use and listening to your needs as parents for your children. We are based at Coolham, near Billingshurst so not only are the ingredients sourced locally we also cook all the meals locally, fresh on the day.

The Government introduced a new initiative 6 years ago where all children starting school in Reception and those in Year 1 and Year 2 will all receive a free hot school lunch. This is a two-course meal with bread and milk served daily. There are 3 meals to choose from each day.

To see our current menu, visit www.theeasycompany.co.uk you will also find information about us and how we work. We will endeavour to get menus sent electronically to you before the end of the summer term obviously this is year is slightly different due to the current situation of the coronavirus.

You can see photos of our lunches on the GALLERY page on our website or please follow us on Instagram @easycompany.

You will receive a hard copy of our menu at the end of each term ready for the following term – this also has lots of information about our meals and dates of deadlines if your school requires you to book online.

If your child will be attending any of the following schools, you MUST book your meals online (see attached sheet for instructions of how to do so):

Slinfold, St. Marys, Shelley, Broadfield Primary Academy

All other schools will include your child in their order numbers unless you have opted out from having a Universal Free School Meal (UFSM) by telling the school you do not require a lunch.

We work closely with all the local authorities to ensure our service meets all the necessary stringent regulations; all our menus are checked by LACA The Lead Association for Catering in Education.

If your child has any sort of food allergy, we can still cater for them although you must contact us directly so that we can go through their specific needs.

We have a very strict process for Special Dietary meals to be catered for to ensure the safety of all children. **If your child requires a special diet of any sort please contact me so I can explain the procedure and all paperwork can be completed. NO SPECIAL DIET WILL BE PROVIDED UNTIL THE PROCESS IS COMPLETE.**
