## Church Services

Easter Service is on Monday 27<sup>th</sup> March at 11.00am. Families are welcome to walk from school with us or join us at the church for the service.

Well done to the Mia, Elphie, Brodie and Rosie who performed a reading at the Mothering Sunday service – they did really well.

## Class Assemblies

Two very uplifting class assemblies this week by Willows and Sycamores, which were a joy to watch. Thank you to the many parents who attended and had a good insight into what the children have been learning about at school.

## A visit from some hedgehogs

Graham from the Saint Francis Animal Care centre brought Henry and Harry, the two rescue hedgehogs to meet the children. He taught the children all about hedgehogs. Oaks class put together some facts and observations for you:

- Baby hedgehogs are called hoglets
- Hedgehogs have over 5000 spikes and 32 teeth
- They eat worms and slugs and spiders
- If they are scared, they curl into a ball
- Henry tipped the water bowl over and tried to escape!
- The hedgehog made an angry noise when Graham picked him up
