Ducklings

This week we waved goodbye to the four ducklings who gave us such pleasure over the last week. It was amazing to see how quickly they grew and developed. They also helped each other instinctively with feeding, drinking and moving around. Oaks and Willows class have done some fantastic writing about the ducklings too.

Oaks multi-skills Event

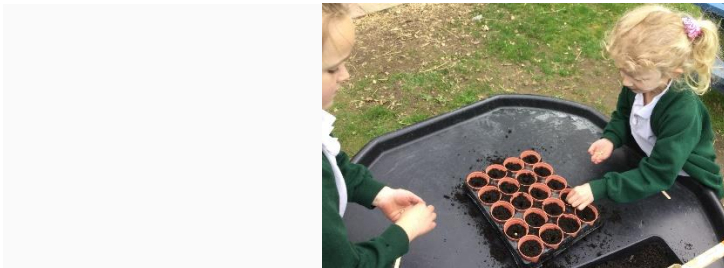

Well done to Oaks class who represented the school brilliantly at the multi skills event at The Weald this week. They worked hard to develop skills in a range of activities and we so enthusiastic. Many thanks to parents for supporting this event – it was great to see such support.

Oaks Vegetable Patch

A big thank you from Oaks Class to FOSS for providing equipment, compost and seeds recently. The Oaks have planted a vegetable patch to grow fresh seasonal food for the guinea pigs.

The children have planted extra seeds that they are hoping to sell in a Plant Sale soon to further support their Maths and Science learning this term - details coming soon!

FOSS

'Shipley Community Hub' is being launched on 2nd May @ 11am! - The initiative is designed to be a place where friendship and well-being is the focus, along with the launch of several projects to help improve the environment, including a repair cafe..."

Friends of Shipley School has joined forces with Shipley Community Hub and is running a FREE 'Eco-Art Junk Model competition' on the day for any children wishing to come along and take part. Make a character/model from the provided recyclable items, and Mrs Petros will be on hand to help.

The winning design will be announced in class assembly on Friday 5th May.
