## Platinum Jubilee celebrations

The children today were presented with their commemorative Platinum Jubilee coins. Many thanks to FOSS for purchasing these. The Parish Council also presented the children with Platinum Jubilee mugs. We thank them for their support.

Don't forget the Soapbox race outside Shipleys School on Friday 3<sup>rd</sup> June from 12-2pm. It promises to be a fun and exciting event with some very creative soapbox designs and shows. A range of delicious refreshments available at school.

Whatever you do, enjoy time with your families on this extra bank holiday!

## Duathlon

Well done to Brodie, Sonny and Ted who competed in the Billingshurst Duathlon last week. Not only did they all complete the challenging course but they turned in some good results, Ted coming second in his category and only a second behind his competitor. It was a fantastic event and we hope to enter more school teams in triathlon and duathlon events in the future.

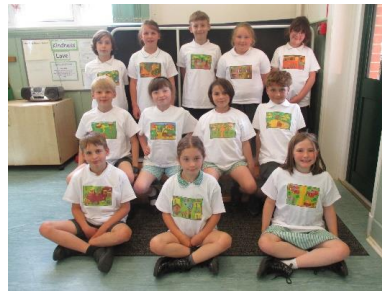

## The love of books

So many of the children at school talk about their love of books and stories. We couldn't wish for a more positive approach to reading. The amount of reading awards has really increased this term – well done to all the families who have encouraged children at home by reading together and inspiring children with a range of books and reading material.

Just a reminder, on the Reading page of the school website, there are some recommendations of good reads for the holidays. <https://www.shipleyceprimary.com/reading.html>

*The more that you READ, the more things you will KNOW. The more than you LEARN, the more places you'll GO,* Dr Seuss

In Computing lessons Ash class have worked really hard over a period of weeks to develop images of India using the Microsoft Paint program. They learnt to copy, paste, resize and flip along with saving drafts of their work. Mrs Upstone printed their images onto T-shirt transfers for ironing onto T-shirts. Here they are today proudly wearing the finished results. Many thanks to FOSS for funding this project.
