

Sycamore Home Learning - SPACE - Spring Term 2023

Please find a selection of activities below which are based on our current topic. These can be completed at **any time** during the **spring term**. It would be fantastic to see you all making the effort to do all the activities listed below, as they will make a **huge difference** to your understanding of our current topic.

<p>Write a newspaper report about an alien visiting Earth for a day. How did they spend their day? Could you include eye-witness accounts?</p> <p>https://www.bbc.co.uk/bitesize/topics/z2yycdm/articles/z9jgn9q</p>	<p>Write an acrostic poem for a planet of your choice. Research the planet to make sure the words and phrases you choose describe the planet.</p> <p>https://www.bbc.co.uk/bitesize/topics/z4mmn39/articles/ztdvw6f</p>	<p>Keep a 'Sky at Night Journal' for a whole week. Write about everything you can see in the night sky. You could draw a picture of the moon each night. Does it change over the course of the week?</p> 
<p>Find out about the zodiac star constellation for your birth date. Could you draw it and record some facts about it?</p> <p>https://kids.britannica.com/kids/article/Zodiac/353955</p>	<p>Write a fact file about Tim Peake, Mae Jemison or any other famous astronaut.</p> <p>https://www.ducksters.com/science/physics/astronaut.php</p>	<p>Write a list of 10 things you would take with you to outer space, explain your reasons for each item.</p> 
<p>Complete a labelled diagram showing the effects that space has on an astronaut's body.</p> <p>https://www.bbc.co.uk/newsround/22527246</p>	<p>Make your own 3D alien! You can use whichever materials you choose.</p> 	<p>Create a 3D model of the solar system.</p>
