

The Lighthouse Keeper's Lunch

by Ronda and David Armitage

English & DT Home Learning

for Week 5 -Summer Term - 18-05-20

This week we are going to use the book to write a letter to Marcel telling him about your design and why he should choose it.

Children, do this task in any way you like. Make it fun and interesting for you and your family. It may be that you would like to write an email or make a poster to go with your letter. Write it on the computer, draw pictures with captions, whatever makes it easier for you it great. Adults, help out as much as you want or can. I know how hard all of this is and I really appreciate everything you are doing. I miss you all!

Use your plan for Marcel's letter, that you made a couple of weeks ago. This will be the last task with The Lighthouse Keeper's Lunch.

Here is my plan for the Marcel letter.

School address

Date

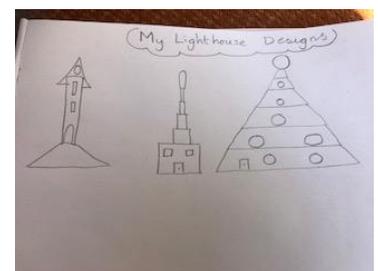

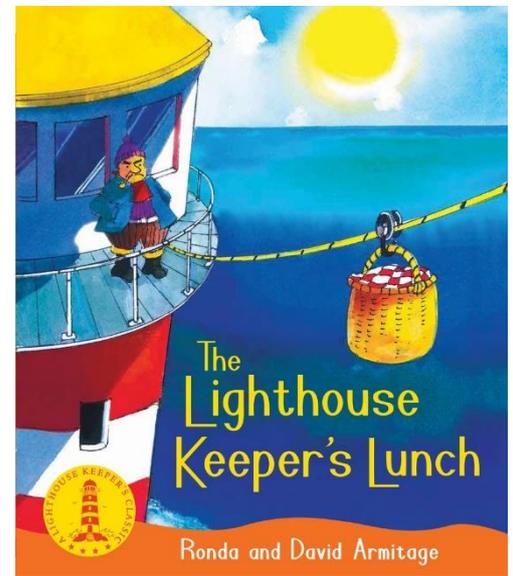

Dear Marcel,

Thank you design tricky
pleased lighthouse picture hope

As you can see, tall bright light
different important build shapes best
because straight round doors windows
tried model show

I hope you liked my designs and chose one of them for your new lighthouse.

Best wishes,

Here is my letter to Marcel. I'm sure yours will be much better and that he would definitely chose one of your designs but it gives you an idea of what you could do.

School Lane,

Shipley

18th May 2020

Dear Marcel,

Thank you for asking us to design you a new lighthouse, we were thrilled to get your letter. I have been thinking hard about it and I think I have some good ideas. Here they are.

As you can see, I have kept the lighthouse tall with a bright light at the top. I thought it would be fun to try some different shapes. You could use bricks to build them or maybe some concrete. There are lots of new materials that are strong and light so maybe you could use one of those.

I know how important the bright light is as we have been learning about the seaside and keeping safe. I hope you like my designs and chose one of them.

Best wishes,

Mrs. Simpson

Well done Oaks, you have finished all of your work on The Lighthouse Keeper's Lunch. Next half-term we will be using different books and finding out about the sea and it's creatures.
