

Dear Parents

Weald Book Awards 2025-2026

Each year, the Weald School hold the **Weald Book Awards**, which is an opportunity for children to explore **six** books by current authors and complete different activities. Although the **Weald Book Awards** is aimed at Year 6 children, we would like to encourage **all** children in Sycamore Class to read the books.

On Tuesday 3rd March 2026, there will be a final award evening held at the Weald, where prizes will be awarded to the children and some of the authors will hopefully be present.

We would like to encourage all children to read some (or all six!) of these books. We have at least **two** copies of each book at school, which children are welcome to borrow at any time.

I have attached a list of the competitions, as children may like to complete an entry at home and bring in to class.

The list of the books are below:

Happy reading and, if you have any queries, please let me know.

Ms Stas
