

EXTENDED SCHOOLS POLICY

Aims and Objectives

To provide high quality and affordable before school and after school care as part of the extended schools provision. This is designed to support working parents and children from Reception to Year 6 and to promote community links and pupil wellbeing.

Varied Menu of Activities

At Shipley CE Primary School, we can direct Parents/Carers to a range of high quality wraparound childcare providing a varied menu of activities in accordance with the community needs, identified through consultation. This includes Early Bird (breakfast club), lunchtime and after school clubs, Windmills (the after school care) and holiday clubs.

Parental Support

We provide a range of services and work in close partnership with parents including access to outside agencies and signposting to services.

Community Use

Following an assessment of the premises, we currently do not have any areas suitable for general community use. However, this will be kept under review for future developments. The school does have a lettings policy.

Equality

At Shipley CE Primary School, we believe that all children and their parents must have equal access to services offered by and through the school and expects all partner agencies to commit to inclusion and equality of opportunity.
